

Dr. ColorChip Corporation Commercial Paint Systems Inquiry Form

Thank you for your interest in the Dr. ColorChip Commercial paint chip repair system. We offer a wide range of systems for a variety of commercial applications ranging from Custom Dealership and Auction house systems to Mobile paint systems for independent licensees. Prices range from \$5K to \$20K. We no longer offer financing. Upon Completion of the following questionnaire, email it to **sales@drcolorchip.com**.

How did you hear about the Dr. ColorChip paint chip repair system?

In what area of the country (City, State and County) are you located and/or would be interested in using the Dr. ColorChip System?

What is the name of your business, how many locations do you operate, and how long have you been in business?

If a car dealership or auction house or other car care facility, approximately what volume of used cars do you sell/service on average per month?

If your interest is in mobile paint repair, what other companies are you considering?

Do you have financing in place to purchase the Dr. ColorChip System?

Are you ready to buy the system immediately? If not, what is the time frame in which you wish to make a decision?
